Profile

My name is Maria J Gallegos-Vallejo. I have been working at Victoria's Secret as a React Developer. I thrive when faced with tight deadlines, being able to manage multiple projects at once, and am capable of changing priorities as needed. I am great at working quickly and accurately in a fast-paced environment. I have strong written and verbal communication skills, which include proofreading and QA skills. I am a highly motivated self-starter with a sense of ownership, willingness to learn, and a strong desire to succeed.

Experience

Victoria's Secret   December 2021 - Current

4 Limited Parkway, Reynoldsbrug, OH 43068. Full Time - Working in an Agile environment. Helping transition the website from Underwire to React. Being able to solve bugs as needed. Creating new experiences on the website.

OppGen   May 2020 - December 2021

1105 Schrock Rd Suite 200. Columbus, OH 43229. Full Time - Working closely alongside creative, analysts and strategy teams. Creating Wordpress landing pages and websites using HTML, CSS, JavaScript and PHP. Taking care of daily development requests for existing websites and landing pages.

La Senza   July 2019 - May 2020

3948 Townsfair Way, Columbus OH 34219. Full Time - Front End Web Developer. Keeping a record of Email and Site tracking. Working alongside strategy, creative, and translation teams to ensure designs align with daily promotions on both Website and Emails and that correct verbiage is used. Scheduling both Emails and Website content to align with promotional timelines, while making sure code is ADA Compliant.

Abercrombie & Fitch   February 2019 – July 2019

Hollister. 6301 Fitch Path, New Albany OH 43054. Contractor - Web Content Developer. Worked with project management tools to execute the daily content schedule. Write HTML5, CSS3, integrating third party content for marketing and promotions. Built content for domestic and international sites on different platforms. Partner with translation teams to ensure correct verbiage usage in International markets. Support IT with day-of-code fixes for the site.

L.Brands   February 2018 – February 2019

La Senza. 3 Limited Parkway, Columbus OH 43062. Contractor - Front End Developer. Assisted in migrating website from Magento to Salesforce marketing cloud while keeping both sites accurate for testing purposes. Keeping record of email revenue and tracking. Implementing new javascript to help ease user experience on site projects.
